Year Group: \_\_\_\_\_

In accepting a place at the State's only specialist music high school, parents and students undertake to give their full support to the core music-making activities of this school. These activities include the end-of-year House Concerts and the individual lessons provided by Conservatorium High School.

Permission will not be given to cut the term short in order to go on holidays early. Family holidays should take place during the school holiday periods and not encroach on term time.

Students must ensure that outside activities do not interfere with their participation in the academic and music programs. It is the responsibility of students to inform their instrumental/vocal tutors directly if they are unable to attend a lesson due to illness or due to an unavoidable change in timetable. Punctuality to lessons, rehearsals and all classes is mandatory.

To acknowledge your acceptance of these requirements, please sign the form below and return a copy to the school office by **Friday 3 December 2021**. It will be kept on file.
